

BLM 1: Group Task Card

The Flick Game

The object of the Flick Game is to flick a game piece along a game board and score the highest individual score. The highest individual score of each member of the team will be combined to determine the score for the team.

- A) Tape 3 copies of the game board end to end, aligning them to form one long game board. Tape down the ends to a table or the floor.
- B) Each team member in turn flicks a game piece along the game board and records the score on their score card. The score of each flick is the value of the last line on the game board the game piece crossed when it was flicked.
- C) Repeat this three times so that each team member has 3 scores.
- D) Each team member completes the questions on their score card. This will include determining a total individual score and a total team score.
